FRANK A. GUNTHER W2ALS

Vice President QCWA

Receives Edwin H. Armstrong Medal

Frank A. Gunther, President retired of Radio Engineering Labs., Division (REL) and Executive Vice President Retired of the parent company, Dynamics Corporation of America (DCA), was awarded the Edwin H. Armstrong Medal by the Radio Club of America. The presentation was made at the organization's 61st Banquet at the Statler Hilton Hotel in New York City on Thursday evening, Dec 10, 1970. The award, with an accompanying citation, was "Presented to Frank A. Gunther, recognizing his many valuable contribution to radio." It is awarded to a recipient being honored by the Radio Club of America for outstanding achievement in the field of communications... The Armstrong award was established by the Radio Club of America in 1937 as a memorial to the late Edwin H. Armstrong radio pioneer and scientist whose four inventions-Regeneration, Super Regeneration, the Super Heterodyne, and Frequency Modulation -- became the building blocks of modern Radio Communications.

During his lifetime Mr. Gunther has been responsible for advancing the techniques and application of principles in the design and development of radio equipment for which he has been honored on a number of occasions. Mr. Gunther is President of the Armstrong Memorial Research Foundation; Vice President and Life Member of the Quarter Century Wireless Association; Charter-Life member of the ARRL; Fellow of the IEEE; Past President and Fellow of the Radio Club of America; Past National President, and Permanent Director of the Armed Forces Communications and Electronics Ass'n.

FRANK A. GUNTHER W2ALS  
Vice President QCWA

Mr. Gunther recipient of Armstrong Medal from the Radio Club of America, in his response to the members thanked them for the honor bestowed upon him. He stressed that it was unexpected. He introduced his wife and family, and stated his family deserves a piece of the medal for having lived through and endured many of the experiences of a young fellow in radio communications. He discussed his relationship with Edwin Armstrong, because his life was enriched by being able to work with him. He stated that is is a source of pride and satisfaction to have just joined the ranks of the Armstrong medalists. Mr. Gunther quoted an old Latin proverb that states that it is the greatest possible priase to be praised by a man who himself is deserving of praise. He completed his response by hoping to prove worthy of the judgment of my distinguished colleagues."It is with these thoughts and in this spirit that I proudly accept the Armstrong Medal of the Radio Club of America."

FROM W2JE

The new certificates are ready to be presented to members who work 100 members during the Feb QSO party. Thereafter, members working 100 other QCWA members must send in proof of the 100 contacts,

...send 100 QSL cards.....During the QSO party W5EJ will send in the names of those who have the 100 contacts, thats all the proof that is needed....W4WO's name is Hedrick not Hendrick as printed in 1971 yearbook... Got a note from W6HS, "QCWA MEMBERS wanting QSO with Pitcairn Island, VR6TC, can drop a note or QSO W6HS. Tuesdays 9:30 PM PST 14225Kcs....Our CW net on 7095 was not very good due to broadcast QRM therefore it has been changed to 7035Kc and alt of 7045Kcs 8PM Eastern time. NCS is W2JBL alt W9CV....by the way all 50 year certificates will be ready for presentation during September 1971.. for your info, the ART work is done by W2JE... W6CGC Al Hunter joined QCWA Jan 27 1971 and recvd QCWA #7000....how about that... Having the right to do it doesn't mean it's right to do it.... Another father son member W4BRT #6936 is the father of K3USO #3738....Chapter officers are very good recruiters for QCWA, but KUDOS to W2ETS, W5RG, and W2AIM.....they sure do get the new members.. dues are due.....look at your card then send in " \$5 for next three years...A REMINDER: if you have 50 years in ham radio, please request an application for the 50 years in ham radio certificate.. Did you know that Illinois is called the "Prairie State" and the state bird is the Cardinal?... Our President W2KW/KV4AB is in the Virgin Islands, basking in the sun and swimming in the warm water around the Island....W2NQR our treasurer is also basking in the sun in Fort Lauderdale, Florida... With all the demonstrations by our young people, may I give you a lamentation; "Our earth is degenerate in these latter days. Bribery and corruption are common. Children no longer obey their parents. Every man wants to write a book. The end of the world is evidently approaching." Who said it? Assyrian Stone Slab. 2800 B. C. A teacher, taking over a new class, asked a little boy his name. "Jule" he replied. "Not Jule" she said, "You shouldn't use contractions. Your name is Julius". Turning to the next boy, she said, And what is your name?" "Bilious," he replied. (must have been one those California Bill's)

J. A. STOBBE, W2WZ

1907-1970

QCWA lost a dedicated member in Al Stobbe, former Board member and charter member No. 14. Al was one of the framers of our QCWA constitution, and was a hard working board member. He got his first Ham license in 1921. A lawyer and an Electrical Engineer, He was a graduate of Princeton Univ., and earned his Law degree at Brooklyn Law School. He had been a senior member of the Institute of Radio Engineers, a member of the American Institute of Electrical Engineers, the Signal Corps Association and the New Jersey and New York Bar Associations.

## CHAPTER NEWS

NOR.CAL(W6AUC); On sept 13, 1970 elections were held for officers during 1971;- Chairman, W6BYS; Secy W6AUC; Directors, K6OJO, W6BYS, K6JI, W6CDJ, W6JJ. The annual dinner meeting will be held on Mar. 6, 1971, at 7:30PM at the International Inn. 50 Year certificates will be presented to WB6DUF, W6CC, K6CA, K6DX and possibly 3 others. The three nets get a lot of check ins, Net Controls are K6CA, W6FQZ, and W6AUC. Nets are on Sunday, at 10 AM W6FQA will be found on 3907Kcs; at 9AM, W6AUC on 3950Kcs; and at 11 AM K6CA on 3788Kc.

SO.CAL(W6IL); For the 5th straight time the chapter broke all previous attendance records with 233 members and guests at the Fall Banquet held on Oct 24th at the Petroleum Club. Dave Bell, W6BVN producer of the ARRL film, "Ham's Wide World" premiered his new film called "This is Ham Radio" at the meeting, and we had as guests WB6-KPN and XE2RH who have the QSO in both movies but had never before met in person. The ladies received carnation corsages and 85 door prizes were awarded. 50 year certificates were presented to W6GB, W6GY, W6JY and W6AGK. Certificates of appreciation were awarded to the Chapter Net Controllers; W6FQ(Phone) and K6BA (CW). An impromptu dinner-meeting to honor the General Manager, Col. A. J. Girona. W2JE was held at Rudi's Italian Inn located in L.A. on Jan 12th 1971 which was attended by 61 members and Xyls. The highlight of the evening as part of the entertainment was a piano concerto rendered by Ray Meyers W6MLZ, which was so well received by all including Alvin Rey, W6UK who was attending, that by popular request they are booking Ray for a repeat performance at their Spring Dinner-Meeting which will be held at the Elk's Lodge in Inglewood on April 17th.

SAN DIEGO(W6JMA) A successful meeting was held on Nov 11 with 40 members present. W6UCD was the lucky winner of a 4-1000A donated by WA6WFL. The annual dinner meeting will be held on Mar 14th at the Cafe Del Rey Moro. 50 year certificates were presented by W6EZ(50 yr man) to W6JL, W6ZV, W6EC. Net is on every Wednesday nite; K6KX NCS on 3840 BPM and at 9PM K6CM on 28600Kcs.

San Diego Chapter Meeting of  
 Sept 16, 1970. 42 attending

NEW ENGLAND:(K1AAQ); The New England members of QCWA and OOTC were picnic guests of K1AG at his camp on Bear Island in Lake Winnepesaukee in August. The QCWA Chapter held a picnic at Silver lake State Park in New Hampshire in August. August was chosen because of "no bugs". There were no bugs, but they had snow flurries. Warm clothes and hot fire kept them warm externally and there was plenty of stuff to supply internal warmth. No one minded the nippy weather. The chapter held a meeting on March 31, and proposed a May meeting in the vicinity of Hartford. At which time they will have election of officers for 1971. The chapter members have been invited by the OOTC chapter to attend a Valentine's Day luncheon at Valle's Steak House on Route 1 in Saugus, Mass, Saturday, Feb 13.

DALLAS(W5HT); The chapter had the pleasure of presenting the Charter to our new chapter in Shreveport, La. The Texoma Hamarama drew 450 during Nov 13-14-15. The QCWA breakfast again was a huge success.

NORTHWEST(W7BV) W7BV reports that he is the only ham in Cowlitz county eligible for the 50 year award. Also reports that there are 7 hams in the Kelso-Longview area and all are members of QCWA. Section 1 had their annual dinner meeting at the Black Angus in Seattle Nov 4, 1971. 75 were in attendance. Highlights were; a pitch for slow scan TV by W7SAB, words of wisdom from representatives from Sec 1, II, III and VI; W7LQ the chairman was presented a gavel the gift of W7CS, and a display of antique gear by W7ER and the ARRL film by W7PGY. Sec VI had their dinner meeting at the Blue Boy Motel in Vancouver, BC. Nov 28th. 28 in attendance. After a movie, the members retired to VE7AMJ residence where a birthday party was in progress. The chapters annual meeting will be June 12 and 13, 1971 in East Wenatchee, Wn., at Eddie Mays Inn. A lively program is shaping up. Sec II dinner April 24th ?, at 6:30PM at Lewis and Clark Hotel in Centralia, Wn. Sec IV Oregon dinner Feb 27 at Norths Chuck Wagon Portland, 1972 ANNUAL MEETING: Plans are already under way by those enthusiastic members in British Columbia and they are planning to hold it in Victoria, BC perhaps at the Empress Hotel. We all know how hospitable those Canadians are at their annual picnics.

W2APF receiving the thanks of the Consul Gen. of Peru on behalf of the Peruvian Government for his assistance in supplying over 180,000 lbs., of food, clothing and medicine and also raising over \$7000 locally. Rotary Club member also in picture. "Operation Goodwill"

Baltimore Chapter Nov 1970  
W3LO Presenting 50 Year awards to (L-R)  
W3HWZ (W3LO) W3JE and W3VU

CENTRAL NEWYORK(K2LBB); The chapter held an Installation dinner and special meeting at Schrafft's Motor Inn, Binghamton, NY on Saturday, Jan 23, 1971. The guest speaker, Frank Rock gave an interesting talk and a fine spirit of fellowship along with a few tall tales and stories on the sideline. New chapter officers were installed at this meeting; - K2LBB Chairman; K2BOQ vice chairman, W2TS Secretary; W2SDA Treasurer. A good team for 1971. Plans are being made by the Southern Tier Radio Clubs to hold an annual Southern Tier Radio Hamfest on March 20 at St. Johns Hall, Johnson City. The Rochester Hamfest will be held on May 15. The chapter net meets every Sunday on 3917Kc at 10:30AM, also on 7267Kcs each Saturday at 12:30PM and K2LBB is active on 1840Kcs at 9:30PM each evening.

CENTRAL WEST VIRGINIA(W8HZA) A dinner meeting was held on Oct 17, 1970 at the Holiday Inn, Charleston, with 10 members present. Following the meal, a meeting was called, a motion was made and passed to carry over the present officers until the spring meeting; Officers are; W8CLX Chairman, W8BOK ViceChairman, and W8HZA secretary. It was announced that about 30 QCWA members reside in West Virginia, but many in the Northern section belong to chapters in Ohio or Pennsylvania. They will talk about the possibility of holding a meeting in Wheeling. The usual discussion of old times followed the meeting.

CITRUS CHAPTER(K4LV) The chapter has leveled off to 70 members. The chapter held a meeting on November 1, and it was reported that their net on 7254Kcs at 10 AM local time, is doing fine. W4YPA is NCS, also NCS the Florida State Wide QCWA net on 7254Kcs Sundays at 12 noon. They have 20 to 25 reporting in. Area news is disseminated widely via these nets.

TULSA(W5HUI); The chapter held the December quarterly meeting on the 2d at 6:30PM at the Steak House. 24 members and guests enjoyed a Sirloin steak dinner, before the business meeting. W5FRZ was re elected chairman, W5HUI elected Secretary. Tulsa QCWA members reported a fine time at Texhoma Hamfest. As usual W5CNF did a fine job as auctioneer and also MC'd the Sunday Breakfast banquet.

 AUG 9, 1950

WISCONSIN:(W9NRP) A new chapter about to be organized. After many months of pondering and waiting W9NRP finally decided to see if he could get the QCWA members in that area interested. Notices were mailed out with this intent and an ON-THE-AIR meeting starting with the first Sunday in January 1971, with three meetings on the air and a meeting in Milwaukee, it appears that they have enough members interested in starting a chapter. W9CTI, Chet, reports that about 10 members checked in on their net 3990Kcs at 9AM CST for a little while to get the chapter going.

BALTIMORE:(W3EKZ) An outing was held at W3EKZ's farm on Oct 17, 1970. They had 25 old timers there and plenty of food and refreshments. They are planning another banquet in the spring details will be sent to all Baltimore Chapter members. The chapter met 9PM local time, on 28,650Kc.

CINCINNATI-DAYTON(W8RJD); The chapter held its fall meeting Oct 22d at the Congress Inn, midway between Cin., and Dayton, on I75. Following a dinner in which the ladies were present, 50 year certificates were presented to W8HXR, W8FXR, and W8JDV(now deceased) Mrs. Ruth Gray accepted the certificate for her late husband. Mrs. Gray also accepted on behalf of her husband, a gold plaque given by the Antique Wireless Ass'n, honoring him for his interest in radio and wireless equipment of bygone days, as evidenced by the Gray Museum of Wireless which he originated and built up in years gone by. This museum is located at Mason, Ohio, and is well worth a visit to look at the old time Ham equipment, as well as some of the earlier broadcast equipment used during the 20's. A look at some of the first wireless magazines is also intriguing.

AKRON(K8GRO); The fall dinner meeting and elections of officers was held at the Waterloo Brown Derby. There were 14 in attendance. Frank Platner, W8GL was elected chairman, and Chet Rataski, K8RGO secretary. The group was entertained by Harold Tune, W8LZE and Xyl, who showed colored slides of their vacation trip to Europe. The next dinner meeting is tentatively scheduled for Jan 1971.

ATLANTA CHAPTER:(K4DN) The chapter met on Jan 15th at 7:30PM at the Flame Restaurant at Greenbriar in SW Atlanta. New officers were elected, K4DN Chairman, and W4CX was elected secy treas.

MICHIGAN CHAPTER(W8LNE); The annual banquet and business meeting of the chapter will be May 1st 1971 at 6:00PM, in the Northwood Inn, Cadillac,, Mich. It will follow the annual swap & shop held early in the day by the Cadillac Amateur Radio Club. Dinner and overnite arrangements can be made by contacting W8GJH, F. E. Gary 620 Thayer St., Flint, MI 48503, Gary is their program leader or you can call into their chapter net on 3903Kcs each Sunday at 8:00AM, there W8LNE-K8IGQ-W8CAM will be glad to help you. There will be election of officers at the meeting conducted by their chairman W8SAY, they would like to have a slate, no railroading. They had a moment of prayer for W8ZN who had a fatal snow shoveling accident at home near Gaylord. They will miss his voice on the QCWA net very dearly.

MOHAWK VALLEY(K2CP) The 5th biannual meeting of the chapter was held Nov 7 1970 at Hart's Hill Inn Whitesboro,NY with 36 people present. Entertainment was provided by Corby Pratt, W2IS, Outgoing officers W2VJB, WA2FLT, turned over their respective duties to W2RJL Chairman, and K2CP, secy/Treas for 1971. The spring dinner will be held on May 1st, at a place to be announced.

DELAWARE VALLEY(W2HX-W2AEW); At their November meeting the chapter had 113 members and guests present. 6 door prizes were donated by Trevoze Electronics. W3EFC, ARRL Director, introduced the speaker of the evening, W3EGY who spoke on the forthcoming American Repeater Satellite. W3EGY also showed a working model of the coder which gave off a C# signal. It is proposed that this repeater would be 2 meters up and 10 meters down. The chapters next meeting will be held on March 27th at the Buck Hotel, Feasterville, PA. The chapter is growing with 162 members on its roll. W2HX is looking for October, November, December 1918 and all of 1919 wireless Ages. New officers W2AEW Chairman, W3ADF Vice Chairman, W2YPZ Treas., and the old standby W2PX secretary.

FINDLAY CHAPTER(W8QC) The chapter has finally got onto its feet and has been recruiting new members. A meeting was held sparke by Don Daymon W8QC, with 4 old QCWA members, 1 re-instated, and two new members. The charter will hang in the club room of W8FT, the Findlay Radio Club is one of the oldest in the USA, and thru the efforts of the 13

chaired by W4ZY; The following were unanimously endorsed; W3AFV chairman, W3HB vice chairman, and the old standby W3CDQ secy.treas. It comes to pass that W3HB was the former school teacher of W3TFA back in New England not many decades ago (not more than 4) will keep the members posted on many side events of interest since he is really the man about town. And Liz, W3CDQ will remain on the dias, it just wouldn't seem right without her there. Just so you can plan ahead start right now by marking your calendar for Oct 14th 1971 the day to attend the Gaithersburg Hamfest.

#### WE GET LETTERS

W2JBI a life member of ACWA has been a ham since October 1935, and he joined ACWA in Dayton, Ohio, during the 1970 hamfest. He went thru the homebrew equipment with many versions of the 201-201, 30-30 24-27 finally the winner the 57-56-245 remember? He was mostly on 160 meters with an 809, modulated by a pair of 6L6's. Today he uses a gizmo bird that is a Ronset GSR 100 exciter and 17P 01 linear. Antennas and propagation are his forte, and that is probably why he uses no beam, but a balance 120' dipole up 50 feet for 75 and 40 fed with 450 ohm open wire line and a 170' long wire for 20, 15 and 10. Newmour is active on Monday and Friday evenings, and is always ready with the latest propagation info from the Boulder Labs Telecommunications propagation predictions Center and from the Space and Science Research Council of Bournemouth, England. He lives in Little Silver NJ and his occupation is Deputy Director of Engineering of the US Army Communications Systems Agency. He is responsible for the systems engineering aspects of Navy STARCOM, the Army's strategic global long haul telecommunications systems.

From W0RC; I'm looking for, and very much interested in obtaining a radiohine type AR-8503 low frequency receiver for installation in my ham station to listen to 700Kcs etc. would want it in as good a condition as I can get, and in working order, in any event. If you should know where I can get one, sure would appreciate the info. I might consider the RCA AR-8504, if I can't get the 8503. But I would want one of the two models. Also would want 110V AC supply if available. W4 WY-ONE HELP WJ SULEP ASP... 17

## LETTERS FROM MEMBERS

UR2BU Karl Kallemaa of Tartu, Estonia writes; Dear Friend Gus: I wish to thank you very, very much for your most kind letter received a few weeks ago. That was a big thrill for me to hear that Ulo, K4CV ex JR6LPS has paid for me the membership dues for next three years. I would very much like to pay him my sincere thanks, but unfortunately I do not know his present address. Will you let me know his present address please? (I wrote to him) I have here a callbook of summer 1968 but K4CV address is not here. I have been to frequently on short wave bands during the last years due my health. However, I hope to do so this winter and would be very pleased to meet you some day on 20 meters. Please pass along my very best greetings to the Board of Directors when you have the next meeting. I am happy to be a member of this old timers association. I wish you all the very best and hope to hear from you before too long. Karl UR2BU, ex ES5D, ES3YY

From VE2BG: Dear Gus: 50 year award received, framed and hung in shack for which I wish to thank you for everything and am I proud. It sure is a nice job, and am sure will create envy. Trust you are well, am in fairshare, up here in Canada but lonesome. I have a 800x400 transceiver, seems to work FB, but need hear. Best in the world to you QCWA Tom Letts VE2BG

From W2FW: Dear Gus, My sincere appreciation to the QCWA board for the very fine certificate extended me upon completing 50 years as a licensed radio amateur. It is a prized possession and after being appropriately framed will hang prominently with my first license. Thanks again. Harry Koch.

From W3ADY: I have a book "Ham Register" which I would like to donate as a door prize at your next dinner meeting. It is a collectors item, not many around. kindest regards to you and the Board of Directors. Let me know the lucky winner.

Now what? Its better to be too young to quit, than too old to begin?

There should be a good market for white eyeball paint for the morning after boys.

Maybe life begins at forty, but you'll miss a lot of fun if you wait that long.

NOTICE - NOTICE - NOTICE - NOTICE - NOTICE

At the last Board meeting of Oct 2, 1970, it was voted to hold the next board meeting in Dayton, Ohio, in conjunction with the Dayton Hamvention. However, because the President and one board member will not be able to attend due to business reasons, it will now be held in New York City on March 22, 1971.

SAN ANTONIO CHAPTER(W5LPO)(Late); The chapter held a meeting at the home of w5EDX. The activity of the evening was discussion and displaying old publications. Everyone brought an old magazine or license, or what have you for all to see. It was a huge success and really made the meeting worthwhile, with an old time flavor. Displayed were old ARRL handbooks of the 1920's, Radio News magazines to 1923-25, a Hugo Gernsbach "Radio Parts Catalogue" of early 1920's and more of the same. H. Frank Jordan and his lovely Xyl Gladys were excellent hosts. They plan to have their annual meeting with the Xyl's during February. The chapter secretary is quite a QCWA recruiter(W5LPO) He was in QSO with VK6WT, signed him up, and also said that VK6WT would get started on getting a Western Australia chapter going. Nice work.

CANTON:(W8QYV); The chapter held a meeting on Nov 7th, the 32d of its career at the Buckeye Hotel in Urichville, with 42 in attendance. Food and services were so good that they intend to return for the next meeting. New officers are; w8JJC Chairman, w8CW1 Vice chairman, w8QYV is secretary. Treas. The roster at their last meeting showed 14 different cities represented. Youngstown to Caldwell, Wellisburg, Wv to Akron, how about that. Quarterly meetings have been well attended, a few have not.

May 8th is the anniversary of the Canton Chapter, they need some ideas to commemorate the occasion, speaker, movie or go go girls.
